Item 8.01 Other Items

As required by the "Indenture" to the Floating Rate Secured Notes Due 2014 dated March 1, 2010 (the "New Notes"), Morris Publishing Group, LLC ("Morris Publishing") is required to use its monthly positive operating cash flow, net of permitted cash flow adjustments, ("Excess Free Cash Flow") to repay any amounts outstanding on its working capital facility, and then to redeem (on a prorata basis) the New Notes.

Applying this requirement with respect to Morris Publishing's monthly period ending December 31, 2010, Morris Publishing will not redeem any of the New Notes on January 21, 2011, the referenced period's Excess Cash Flow Payment Date (as defined in the Indenture).
