to our SHAREHOLDERS

We are pleased to announce the financial results for your company for the quarter ended June 30, 2015. Net Income was \$2.0 million, or \$0.46 per share, compared to \$1.9 million, or \$0.43 per share, for 2014, an increase of 5.1% quarter over quarter. Results for the second quarter of 2015 reflect quarter over quarter increases in net interest income of \$100 thousand, and noninterest income of \$416 thousand. These increases were partially offset by an increase in the provision for loan losses from \$75 thousand for the second quarter of 2014 to \$150 thousand for the same period in 2015, and increases in noninterest expenses of \$286 thousand.

Year to date earnings for 2015 were \$3.9 million, or \$.88 per share, compared to \$3.7 million, or \$.83 per share, for 2014, an increase of 5.9%. Increases in net interest income of \$117 thousand, and noninterest income of \$788 thousand contributed to the increase in year to date earnings. These positive changes were partially offset by increases in the provision for loan losses of \$100 thousand, noninterest expenses of \$487 thousand, and the provision for income taxes of \$100 thousand.

On the balance sheet, loans grew 3.6% to \$478.7 million as of June 30, 2015 from \$462.2 million as of June 30, 2014. Total deposits reached \$513.0 million at June 30, 2015 compared to the prior year of \$490.9 million. We continue to manage interest rate risk by selling most of the residential loans we originated in the first six months of 2015. During this time we sold \$67.9 million in residential loan to the secondary market compared to \$42.5 million in the first six months of 2014. Loans serviced for others grew \$55.2 million to \$400.1 million as of June 30, 2015 from \$344.9 million as of June 30, 2014. Between the loan portfolio held on our books and our sold loan portfolio we are servicing a nearly \$900 million portfolio, quite an achievement for a \$600 million company.

In addition to producing sound financial results, we continue to work on enhancing our customer's experience when they interface with the bank. We are in the process of "beta" testing our new website design with anticipated roll out in the third quarter of 2015. In addition, during the second quarter of 2015 our new Customer Care Team went live. Prompted by the retirement of long time Main Office receptionist Patricia Rorick, we decided to change the way we handle phone calls throughout the system. We surveyed our incoming calls for two months and developed a list of the most commonly asked customer questions. We then assembled a team from internal departments and trained them on how to handle the most commonly asked questions without having to transfer the customer to another department. We purchased and installed a Call Center software package that allows us to appropriately route, manage, and track incoming and outgoing phone traffic. Our goal is to have our phones answered by Union Bank staff and to reduce the number of times customers must be transferred to internal departments to have their questions answered. Based on the first few months of operation it appears as though we have met our goals. We continue to pursue initiatives where we can either enhance the customer experience or increase operational efficiency.

We are pleased to report that the Board of Directors declared a cash dividend of \$.27 per share on July 15, 2015, payable on August 6, 2015 to shareholders of record as of July 27, 2014. Enclosed please find your check or advice of deposit.

Sincerely,

Kenneth D. Gibbons
